BACON

WE MAKE THE BACON THAT BACON LOVERS DREAM ABOUT

It's been said that to make something this good, you need some kind of secret recipe. But there's no magic in this meat. Just hours of hardwood smoke, a craftsman's touch and more than 130 years of practice. It's the kind of commitment you don't see every day. But that's what it takes to get the thick-cut, premium flavors people crave.
